# THE CAXTON WAY

# To promote and protect human rights in Queensland through access to justice

#### Client-Focused

Actively responding to clients' unique needs and experiences. Respecting dignity and autonomy.

Delivering tailored, culturally appropriate, trauma-informed, holistic & empowering services.

#### Accessible

Known, trusted and accessible to those who need our services, especially disadvantaged and marginalized individuals and communities.

## Desirable Workplace

Attracting, retaining, supporting and investing in skilled, diverse, values-based staff.

Working collaboratively & effectively in a fit-for-purpose workplace

#### Connected

Cultivating strategic partnerships.
Mutually beneficial volunteering opportunities.
Engaging effectively with diverse communities.

### Agile

Maintaining independence and flexibility to adapt, innovate and respond to changes over time.
